

Note: Registrar reserves the right to alter the Category designation -- following Entrant consultation.

ALL QUILTS MUST HAVE A SLEEVE: 3-4" x width of quilt. Doesn't need to be permanent.

ALL QUILTS MUST HAVE A LABEL: On the back side, in one of the bottom corners. Doesn't need to be permanent.

2018 "PEOPLE'S CHOICE" Categories

BED QUILTS – Large (312+") – Medium (216-312") – Lap (less than 216") – Child	All quilts made to be put on a bed, crib or sofa. Categorized by outside perimeter measurements. <u>You must measure first</u> before selecting size category.
WALL HANGINGS	Size is not important. Quilt must be designed to be hung, not put on bed. May have embellishments, hand-painting, and other delicate elements.
ART/LANDSCAPE QUILTS	Original design only. <u>No kits or patterns.</u> No size restriction.
YOUTH QUILTS	Made by youths 18 years or under. No specific size.
MINIATURE QUILTS	96" or less perimeter measurement. Small pieces, no larger than 1 inch.
OTHER	<u>Must be quilted.</u> Items may include quilted garments, table runners, placemats, quilted bags, etc.

2018 "GUILD EXCELLENCE" Categories

DESIGN & COLOR	Visually appealing. Effective use of fabric, borders and quilting design. <u>No kits.</u> Kits must be designated so not to be judged for this category.
PIECING	Precise junctions & points, smooth curves, secure & invisible stitching.
APPLIQUÉ – Machine Appliqué – Hand Appliqué	Precise points and corners, smooth edges and curves. Secure stitching, non-distracting – thread, no under fabric showing through.
QUILTING – Hand Quilting – Domestic Machine – Long Arm Machine – In-The Hoop	Even stitches that go through all layers. Invisible starts and stops. No marking lines showing. Quilting adequate to secure batting. Quilting enhances the piecing or appliqué design. In-The-Hoop is a specific technique for projects that are constructed on a home machine inside an embroidery hoop.

2018 "BEST OF SHOW"

BEST OF SHOW	All-around best favorite in all categories.
